

AFTER SCHOOL CLUBS

All our clubs are run by our own staff and are organised into 3 blocks of 10 weeks each term, where possible.

Clubs run from 3:30p.m. - 4:45p.m.

MONDAY Arts and Crafts Club

Art club provides an opportunity to develop creative skills through three themed blocks of activity. Its great fun for all and offers a sensory experience for our young individuals.

WEDNESDAY Team Sports

An opportunity to develop team skills as well as those all important individual skills, and not to forget tactics as well! The team sports on offer are a variety of team games, dependant on the weather of course!

WEDNESDAY Sensory Club

Offers Tac Pac & sensory stories, hand over hand activities, soft play, games & music, and messy play.

THURSDAY Fitness Club

Fitness club offers a variety of activities suited to the individual young person.

TRANSPORT FOR CLUBS

Limited transport is available at no additional cost if you live in **Colne, Nelson, Barrowford or Brierfield**. Transport is provided by school on a first come, first served basis and will have a Passenger Assistant.

We would hope that in the majority of cases, parents and carers will collect the young people accessing our clubs.

The collection point will be via the sensory garden and car park through the gate on Hollins Road (**NOT THE MAIN ENTRANCE**).

BOOKINGS

Please book via the Booking Form sent to you with an accompanying letter. If paying by cheque please make it payable to Pendle Community High school and College.

If you wish to book a Club for the three terms please indicate this on the booking form and send in the correct amount.

Please check the calendar carefully for any mid term closures due to training and other evening events.

Where an individual young person has needs which require 1:1 support then parents/carer will be required to make an additional contribution either by using direct payments or by paying an agreed sum. This is at the discretion of the Headteacher.
