Dear Parents/ Carers

As part of our Community Inclusion topic, Bowland have been closely involved with ways that we can support vulnerable young people that are homeless. On **Thursday 6th December** we have been invited to visit Safespace in Nelson. We will meet the staff that help young people, ask questions and view the rooms and facilities to help the homeless.

On **Thursday 13th December** the group will be visiting the local shopping area with money that the group have raised through their enterprise scheme. They will choose off a prepared list of items that they wish to donate to these young people at Christmas time.

Finally, on **Thursday 20th December** we will re-visit Safespace for the students to hand over their donations in gift boxes to some of the young vulnerable people that are willing to meet our students. They will sit and have a coffee and a chat with them. These visits will all be happening within college hours and no extra arrangements need to be considered. The students will leave at 9.30 and aim to be back in college for 11.00am.

Please complete the form below agreeing for your child to be involved with this worthy project.

Yours sincerely

J Chambers
