Re: Application/securing membership

I am writing this letter with the intention of PCHS and College securing our membership with your organisation. We are great supporters of sailing and we are enthusiastic to work in partnership with you to enable our learners to develop and experience taking part in differentiated activities on the water. We believe that we could be an extremely productive group, given a chance.

As you are aware, we have been involved with other related groups in the past where we have supported the club by encouraging other special schools to participate in water based activities, such as the Special Schools Regatta. This has encouraged fiscal opportunities for the club and great friendships to be made.

We are aware that many of the staff involved are retired and volunteer to support so that these days can happen, but if appropriate, we are prepared to train staff as assistant instructors to ensure that this adventure is able to develop.

We would like to thank you for storing our boats on your premises and wish to have school invoiced regarding membership fees and insurance that needs to be paid.

I therefore request that you finalise our application for membership as soon as possible and kindly respond with any ideas that you have regarding next steps, as it would be beneficial for us to have some sessions taking place in the spring term of 2019.

Yours sincerely

N Dean
