Dear Parent/ Guardian

## Digital Advantage

There is a company called Digital Advantage coming into college to work with your son/ daughter's class.

The company will deliver the sessions over five days to work on what is needed to develop a business idea. Students will take on different roles similar in business and develop team working. A letter from the company is attached requiring consent for your son/ daughter to participate. Please complete the form and return it to your son/ daughters form lead.
