Dear Parent/ Carer

As part of the Autism Accreditation Assessment process, we have been asked to carry out a survey of autistic people and their families. We kindly request that if your child is Autistic that you complete the questionnaires using the information below. The survey takes approximately 5 minutes to complete.

**For our Autistic students:**

<https://www.smartsurvey.co.uk/s/AutisticPersonPendleCommunityHighSchoolCollege/>

This is intended for any autistic adult or young person who attends Pendle Community High School & College. It can be completed by the autistic person or with support.

In the case of autistic people under the age of 16 or who lack mental capacity, you can decide whether you are able to complete the 'autistic person' questionnaire on their behalf or otherwise not complete it.

**Families of Autistic students:**

<https://www.smartsurvey.co.uk/s/FamiliesofAutisticPeoplePendleCommunityHighSchoolCollege/>

This is intended for the family member who represents the interests of the autistic person to complete.

We have also put information about the assessment and the links on our school website for you to access.

Thank you for your co-operation.

Yours sincerely

Mrs N Woods  
Autism Lead
