Dear Parent/ Carer

Your son/ daughter has been working with a company called Digital Advantage in college where they have been working on creating a digital app that could be used on tablets and android devices.

As part of the process we have been invited to a presentation afternoon along with students from other schools in Lancashire. The event is on **Friday 13th April** in Preston and transport and lunch will be provided. Students will not return to college until 4pm so they will need to make their own way home or be picked up.

Thank you for your support.

Yours sincerely

Mrs A Scott
