Dear Parent/ Carer

Thornton Hall Farm

As part of our topic in Science this term, we are looking at 'Animals including Humans'. We have already looked at grouping animals and I thought this would be a good opportunity to take learning outside the classroom and run a trip to 'Thornton Hall Farm' in Thornton in Craven. The trip will take place on **Monday 21st May** from 9:00am to 3:00pm where we will look at the different animals and their characteristics.

If you provide a packed lunch for your child, please send them with one as normal. If your child purchases school dinners then we will provide a packed lunch for them at the usual cost of £2.20. If your child is on free school dinners we will provide a packed lunch for them free of charge.

The cost of this trip will be £6.00, which includes a guided tour of the farm and different activities including collecting eggs, feeding lambs and handling small animals such as rabbits and guinea pigs.

Before I go ahead I need to see how much interest there is and whether we will have enough in contributions for the trip to take place. Please could you fill in the slip below and send it back into school to express your preference.

Yours sincerely

Miss Greenwood
