

Alina's Guide to Ford

Ford Motor Company is an American multinational car maker that has its main headquarters in Dearborn, Michigan, which is a suburb of Detroit in the United States of America. It was founded by Henry Ford and started on June 16, 1903. The company sells automobiles and commercial vehicles under the Ford brand and most luxury cars under the Lincoln brand.

Is Ford British or American? Well, it's both! Ford of Britain, officially known as the Ford Motor Company Limited, started in 1909 and has its registered office in Brentwood in Essex.
