## The Garden Project

On Tuesday 1st October, Horticulture students will have the opportunity to carry out some work based learning at a local garden centre in Nelson in the form of 'The Garden project.'

As part of their visit we will be learning about which plants grow in a poly tunnel and how best to look after them. Pupils will be leaving school at around 1.30pm and returning at 3.00pm in time for transport home.

There will be no cost to this trip, as the centre will supply resources and equipment. If there are any issues, please do not hesitate to contact me.

Yours sincerely

Mrs C Rothwell
