4th September 2019

Dear Parent/ Carer

Your son/ daughter will be taking part in work experience at The Good Life Project in Nelson every Wednesday from 18th September to 16th October.

During the placement students will be learning about horticulture. They will have the opportunity to try out the activities in a simulated work environment whilst being supported if needed by college staff.

The work experience will be during the college day 10am to 12pm, so students travel to and from college as normal. Students will need to bring a packed lunch every Wednesday during the work experience placement. They will need strong sturdy shoes, wellies or walking boots are ideal, along with clothes suitable for the weather conditions waterproofs/ sun cream.

If you have any questions please contact myself.

Yours sincerely

N Booth
Teaching assistant
