Reminder: Nut free school/college

Dear parent/carer

We are writing to remind you that Pendle Community High School & College is a nut free school/college. This is due to the fact that we have a number of students who suffer from a severe allergy to nuts. For some, this means that coming into contact with nuts causes a potentially life threatening reaction. This reaction can be induced by smell, touch or ingestion of nuts.

We would be very grateful if you could refrain from sending your child to school with nuts, or any product containing nuts, for consumption at break or lunch time, or for school celebration activities.

Thank you for your co-operation and your help in keeping our school and college safe.

Yours sincerely

A handwritten signature in black ink that reads 'C Lingard'.
