Creative Careers Day

Dear Parents/Carers

On Tuesday 19th November 2019 your son/daughter will have the opportunity to take part in a creative careers event.

This is part of Discover! Creative Careers, a week-long event running in England from 18th – 22nd November as part of the Creative Careers Programme, which will see hundreds of employers from across the creative industries opening their doors to young people to inspire and inform the next generation of workers. Participating industry hosts are offering experiences across various departments/roles, giving students meaningful encounters with both employers and employees and providing information and insight into some of the lesser-known jobs that exist across the creative industries.

Our event has been organised with a local employer who is also the school/college Enterprise Adviser. It is taking place at In-Situ, The Garage, Northlight, Glenway, Brierfield, BB9 5NH. At the event the students will be taking part in different activities and will get the chance to talk and ask questions to various employers.

The event will be during the school/college day from 9.30am to 12pm, so students travel to and from school/college as normal. Students will need to bring a packed lunch or if your child usually has a school meal this will be ordered by staff.

If you have any questions or if you would like a copy of the risk assessment, please contact me on the number above.

Yours sincerely

Miss N Booth
