6th December 2019

Dear Parent/Carer,

Over the last couple of weeks Irwell students have learned that money comes from different sources and can be used for different purposes, including the concepts of spending and saving. Additionally, our Science topic is 'Materials and their Properties', therefore, I would like to combine both topics and visit Towneley Garden Centre and exploring the seasonal decorations followed by a drink in the café. As part of our PHSE/Science lesson, your son/daughter will be visiting Towneley Garden Centre in Burnley on Tuesday 10th December. Students will have the opportunity to buy their own refreshment by bringing a £1.

The visit will be during the school day, so pupils travel to and from school as normal. If you have any questions or if you would like a copy of the risk assessment, please contact me on the number above.

Yours sincerely

Laura Gibbons

Class teacher
