17th December 2019

Dear Parent/ Carer

We are thrilled to accept being part of the WildED programme this Spring 2020. The programme will provide students in Key stage 4 and 5 with an excellent and innovative educational opportunity that will enable them to work with young conservation professionals who deliver a series of tailored workshops and student-led activities. Over the course of a term the students will be supported to research, design and lead environmental change projects and campaigns that benefit the school community and local area. The students will compete to present their actions to a panel of expert conservationists at the regional Dragons' Den final, where they will have the chance to win the WildED crown.

The launch beginning: -

Workshop 1 -28th January

Workshop 2 -4th February

Workshop 3 -25th February

Workshop 4 - 24th March

Finale - 30th March, in Manchester.

I would appreciate it if you could return the permission slip below, and the attached consent form and let us know if there are any changes to the medical form previously completed.

Yours sincerely

N Dean
