WildED Consent Form

ABOUT THE WILDED PROGRAMME

The WildED programme consists of a series of tailored workshops run by the Action for Conservation (AFC) team in partnership with your child's school where the AFC team supports and mentor's students to design and lead their own environmental action projects in their school or local area. Each participating student is then invited to the regional 'Dragons' Den Final' event, accompanied by their teacher, where they may have the chance to present their actions to a panel of expert conservationists and win fantastic prizes.

Consent must be given by a parent/guardian who has parental responsibility and returned by **the first WildED workshop.**
