13th January 2020

Dear Parent/Carer

Your son/daughter will be taking part in work experience at **The Good Life Project** in Nelson every **Wednesday from 15th January to 26th February 2020.**

During the placement students will be learning about horticulture. They will have the opportunity to try out the activities in a simulated work environment whilst being supported if needed by college staff. The work experience will be during the college day from 10am to 12pm, so students travel to and from college as normal. Students will need to bring a packed lunch every Wednesday during the work experience placement. They will need strong sturdy shoes, wellies or walking boots are ideal, along with clothes suitable for the weather conditions. Waterproof clothing/sun cream would be ideal.

If you have any questions, please contact myself or if you would like a copy of the risk assessment.

Yours sincerely

N. Booth
