5<sup>th</sup> November 2020

## Anti-bullying week 2020

Dear parents/carers,

The week beginning 16<sup>th</sup> November 2020 is Anti Bullying week across the whole of the country. Anti-Bullying Week shines a spotlight on bullying and encourages all children, teachers and parents to take action against bullying throughout the year. The theme this year is 'United Against Bullying`.

As a school and college we would like to share in and offer our young people the opportunity to express themselves and appreciate individuality and uniqueness. To know that we can all help and support change through reporting bullying to a trusted adult.

To help raise awareness for Anti-Bullying Week, students across school and college will be taking part in different activities throughout the week in their class teams. To start the week off we are joining in with "Odd Sock Day". We would like students to come into school wearing odd socks on Monday 16<sup>th</sup> November 2020.

This year we will be selling anti-bullying wristbands for £1.

We are also taking this opportunity to launch our new Erasmus Project "Stamp it out" This is a project to share ideas and strategies to stop bullying and discrimination of any kind including online and social media issues. We aim to share the different strategies used in our partner countries.

Yours sincerely
