Vision and Values 2021

Dear Parents/ Carers

I hope all of you are well and managing to enjoy some of the sunshine we have been having recently.

Just before the Easter holidays your son/ daughter's teacher would have sent out an email from me asking for your input into revisiting our school's vision and values. This is something I am also currently discussing with staff and students.

I will ask teachers to send this out again today for those of you that prefer technology, and for those who don't, please could you carefully consider and complete the following statements and return to school.

When my child leaves PCHS&C I want them to be better at...

When my child leaves PCHS&C I want them to be more...

When my child leaves PCHS&C I want them to be able to...

If you would prefer a member of staff to call you to discuss this please let us know. I will hold a zoom meeting in the next couple of weeks to discuss this further and hope that you will be able to join. Thank you to those parents that have already responded. Many thanks for your continued support
