Hydrotherapy Sessions

Dear Parent/Carer,

Your child has been given the opportunity to participate in water based activities in the Hydrotherapy Pool on Thursday afternoons. The sessions are part of a challenge your child is taking part in for their Gateway award. People taking part in the award set their own challenges to achieve personal goals by experiencing new things, gaining confidence, improving health and wellbeing and having fun. It will take place on a weekly basis.

Please can you **read, sign** and **return the attached permission slip below ASAP**, if you consent to this activity taking place.

Can you please send your child's swimming kit into school along with a towel in a bag and any personal hygiene items needed. These will be returned at the end of the day for washing.

Yours sincerely

N. Booth
