Big Little Voices

Dear parents,

I am delighted to tell you that lots of students from our school are taking part in an engaging musical fundraising project called Big Little Voices.

Big Little Voices brings a professional mobile recording studio right here into our school for a whole day (Friday 12th Nov) to record 11 songs with students that are currently having music sessions. After the recording day, the songs will then be edited in a professional facility and go through all the technical processes that a commercial recording would go through.

It is our hope that this project leaves our students, staff, parents, friends and family with a school CD to be proud of. We are recording some of our students favourite songs so you know which songs we are enjoying in school. We believe this to be a great opportunity for the students to shine, as well as delivering a real sense of community.

The CDs arrive in beautiful full colour, designed by our students and wrapped in a printed eco-friendly sleeve and can be purchased through school for only £10. Please order early to secure your copy. All money raised will go towards improving our school!

Yours sincerely,

D Grogan
Headteacher
