World Maths Day – Wednesday 23rd March

Dear Parent/Carer

On Wednesday, 23rd March it is World Maths Day. To celebrate this international event, students are invited to come to school with clothes with numbers or shapes on. The theme for the day is 'What's the point of Maths?' Lessons will begin with a maths starter activity that links to the subject lesson they are in. It is hoped that students will see maths as something they do everywhere, not just in maths lessons

Yours sincerely

S Blyth
Curriculum Lead for maths
