Year 9 – Learn a musical instrument

Dear Parent/ Carer

I would like to offer all those students in year 9 the opportunity to learn a musical instrument or be involved in digital music making through inclusive technology for our pupils with more complex needs such as using Soundbeam 6 or Eyegaze.

Whilst we do have some staff that can play and teach some instruments e.g. guitar, ukulele, keyboard, voice, recorder, and violin, we may need to buy in Lancashire Music Service to support us with different instruments.

Please can you consult with your son/ daughter about whether they would like to learn to play an instrument (usually an adapted lightweight instrument for beginners) in Year 9?

If your son/ daughter is interested, please can you name up to a choice of 3 instruments that they are interested in so that I can hopefully accommodate some sessions.

Student name:

Instrument 1:

Instrument 2:

Instrument 3:

Best wishes

Debra Grogan
