Online Safety Representative

Dear Parent/Carer

We continue working with our parents on all issues; online safety is often a subject we discuss frequently with parents. To maximise parental involvement, we would like to invite some parents/carers to become members of our Online Safety Group within school. The online safety group meet every half term to discuss relevant changes to any guidance and how we can ensure all our students are remaining safe when going online.

If this is something you would be interested in please can you email jthompson@pchs.lancs.sch.uk or complete the slip below.

Yours sincerely,

J Thompson
Teacher
