## Anti-bullying week 2022

Dear Parents/Carers,

The week beginning 14th November 2022 is Anti Bullying week across the whole of the country. Anti-Bullying Week shines a spotlight on bullying and encourages all children, teachers and parents to take action against bullying throughout the year. The theme this year is 'Reach Out!'.

As a school and college we would like to share in and offer our young people the opportunity to express themselves and appreciate individuality and uniqueness. We want our students to know that we can all help and support change through reporting bullying to a trusted adult.

To help raise awareness for Anti-Bullying Week, students across school and college will be taking part in different activities throughout the week in their class teams. To start the week off we are joining in with 'Odd Sock Day'. We would like students to come into school wearing odd socks on **Monday 14th November 2022**. This year our Erasmus partners in Hungary, Portugal, Spain and Turkey will be joining in wearing odd socks as part of our Stamp it out project.

Yours sincerely
