## Pendle Hub YES (Youth Employment Service)

Dear parents/ carers

The Hub is an employability and wellbeing service for 16 - 24 year olds in the Pendle area, providing employment, education and training opportunities. The project also supports the wellbeing of young people, tackling barriers through outreach support and activity sessions.

The Hub is connected to local partners who use its Nelson town centre building as a base. They offer support with housing, mental health and run skills sessions. They include Lancashire MIND, Newground Together, Lancashire Adult Learning, PAC, Princes Trust, DWP and the National Careers Service.

As a school and college we are hoping to do some combined projects together but in the first instance, representatives from the Hub are coming in to speak to our students at 1pm on Thursday 9<sup>th</sup> March and to share what services they offer. They have asked me to invite parents too so that you also can find out more about the service. Some of our ex students already go there and make the most of the opportunities provided.

If you are interested and believe you will be able to attend, please could you let me know so that we can plan seating.

Yours sincerely,

Debra Grogan  
Headteacher
