Trip to Boundary Mill

Dear Parents/Carers,

As part of the 'Literacy for Life and Leisure' programme, the students in Marsden are going on a visit to Boundary Mill in Nelson on Thursday 9th February.

The visit will enable the students in Marsden to learn about using leisure facilities, observing social sight signs and information and experience shopping in a real-life context.

The trip will also allow students to experience choosing and paying for a drink and snack from the self-service café; locating signs for the lift, toilets and emergency exits and participating in a scavenger hunt game to find a variety of items for sale around the store.

We will leave school at 10 am and return to school in time for lunch. Students will be accompanied by familiar staff and will travel by school minibus.

If you would like your child to buy a drink and/or a snack in the café, please send £5.00 into school in a sealed, named envelope. Any change will be sent home.

Please complete and return the reply slip below.

Yours sincerely,

Sarah Flanagan
Class teacher
