WHAT IS IMPORTANT

TO THE PARENTS/CARERS OF STUDENTS AT PCHS?

I want my child to be more...

I want my child to be able to...

I want my child to better at...

```
own pace
                                   independence
                making safe choices
       asking for help when
                                      tying their shoelaces
              recognising need for help
                reading talking managing frustration
  understanding
 feeling good
homework
 concentration
                communication expressing ners
  relationships
                                            understanding adult life
understanding disability
                           listening
                                            using public transport
  english understanding interaction
                   joining family gatherings
                                                remembering
                      ames learning as he is at his self-care
        joining in games
        reacting
                                           socialising
                              behaving meditating
