10th January 2024

Dear Parents/ Carers

ARK EDUCATION BARN

This year, students have the opportunity to take part in a programme at Ark Education Barn. During the placement students will be learning about education in animal welfare and husbandry coupled with animal handling, companionship and mental health awareness.

Students will need to bring strong sturdy shoes, wellies or walking boots, along with clothes suitable for the activities outside. If your child brings a packed lunch please provide this as usual. If your child usually has a school meal, a packed lunch will be provided on this day.

The visit will be happening within school hours and no extra arrangements need to be made. The students will leave at 11.30am and will be back in school for 3.00pm.

The first trip will take place on the 1st February and will run every Thursday afternoon until the 28th March. Please kindly return the attached slip to school.

Yours sincerely

N. Booth
