

ACHIEVEMENTS

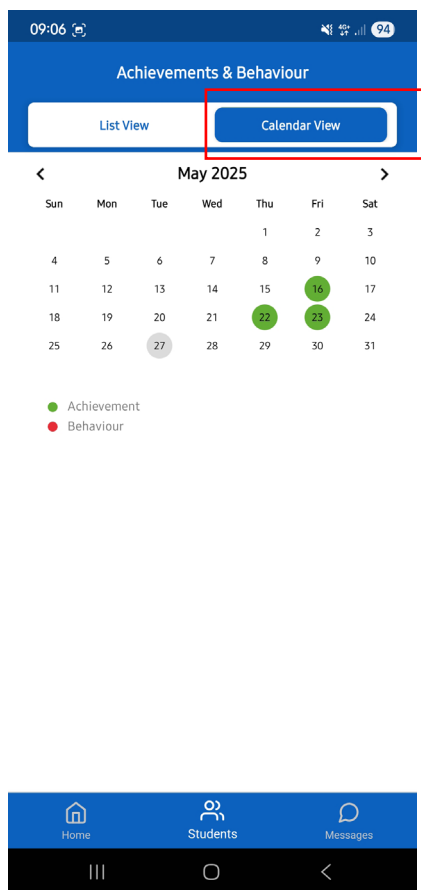

We're enhancing how we celebrate your child's success!

We're always looking for ways to strengthen our communication with families. Our latest update to the Parent App introduces a brand-new 'Achievements' section where we'll highlight your child's accomplishments and celebrate their successes together.

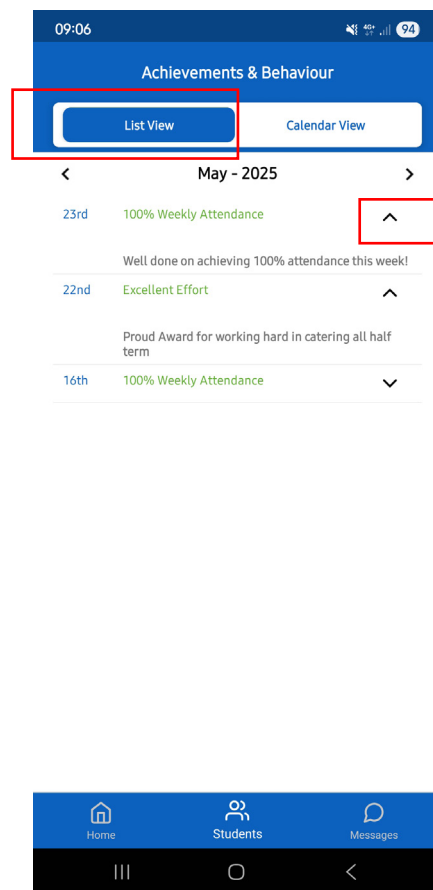

Follow the steps below to view their achievements in the app:

1. Using the students tab at the bottom, navigate to 'Achievements & Behaviour'

2. You can choose either 'Calendar View' which displays green dots for the days an achievement update was entered.

3. Or 'List view' where you can toggle the arrows for more information on why the achievement was awarded.

If you haven't already done so, download the MyEd app today and search for Pendle Community High School and College to get started! More details on this can be found here: <https://www.myedschoolapp.com/>

If you need support setting this up, please contact the school office on 01282682260.
